### **1. Introduction**

This Admission Policy complies with the requirements of the Education Act 1998, the Education (Admission to Schools) Act 2018, and the Equal Status Act 2000. In drafting this policy, the board of management of the school has consulted with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 19 January 2023. It is published on the school's website and will be made available in hardcopy on request to any person who requests it.

The relevant dates and timelines for St. Luke's School's admission process are set out in the school's annual admission notice which is published annually on the school's website at least one week before the commencement of the admission process for the school year concerned.

This policy must be read in conjunction with the annual admission notice for the school year concerned.

The application form for admission is published on the school's website and will be made available in hardcopy on request to any person who requests it.

### **2. Characteristic spirit and general objectives of the school**

St. Luke's School is a co-educational primary school with a Church of Ireland ethos under the patronage of the Bishop of Cork, Cloyne and Ross.

"Church of Ireland/Anglican" ethos in the context of a Church of Ireland primary school means the ethos and characteristic spirit of the Anglican Christian tradition. This seeks to nurture and encourage the formation of the intellectual, academic, sporting, social and religious abilities of each child within the framework of the community of faith. A Church of Ireland ethos encourages intellectual diversity of thought and encourages the individual to seek to understand themselves, the world around them and the connection between the world and the Divine. This understanding of school ethos promotes pluralism in thought and living, in the context of a Christian school community. Drawing on its Anglican tradition, the Church of Ireland School encourages home/family involvement, highlighting the importance of the family/home in the social and emotional development of the child, and more broadly, the community of the school and church.

In accordance with S.15(2) (b) of the Education Act, 1998 the Board of Management of St. Luke's School shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

In St. Luke's School, we endeavour to create a well-functioning, happy and safe environment which promotes the dignity and individuality of every pupil, including those with special educational needs, enabling them to reach their full potential.
